

# NOAH CHAMPAGNE

ASA, FSA

Consulting Actuary

noah.champagne@milliman.com

+1 206 504 5596

## Current Responsibility

Noah Champagne has extensive experience working directly with providers to facilitate risk arrangements, contracting discussions, and benchmarking. Additionally, Noah has worked with ACOs (MSSPs, DCEs/REACH ACOs, and NextGens), MAPD plans, and individual Exchange clients to facilitate their pricing, projections, and budgeting.

## Professional Work Experience

Noah's experience as an actuary includes:

- ACO participation support and modeling
- Value-based care models
- Medicare Advantage Part C bid preparation
- Exchange rate filings
- Small group pricing
- Risk score modeling
- Capitation payment analysis

## Professional Designations

Fellow, Society of Actuaries

Member, American Academy of Actuaries

## Education

MSc, Applied Mathematics, University of Washington

BA, Physics and Mathematics, Skidmore College
